Classifications:

The following classifications will be issued:

- General classification on time (yellow jersey)
- Points classification (green jersey)
- Climber's classification (polka dot jersey)
- Best young rider classification (white jersey)
- Best Czech rider classification (light blue jersey)
- Team classification

9.1 Individual general classification on time

The winner shall be the rider whose sum of times in the individual stages including the time bonuses and the penalties will be the lowest.

In the event of a tie following criteria shall be applied:

- lower fractions of a second registered during prologue;
- lower sum of placings obtained in each stage;
- better placing in the last stage ridden.

The leader of individual general classification on time is required to wear yellow jersey following race-day.

9.2 Points classification

The classification is calculated as the sum of points obtained in stage finishes and intermediate sprints.

Intermediate sprints are awarded 3, 2 and 1 point.

Stage finishes are awarded 15, 14, 13, 12, 11, 10, 9, 8, 7, 6, 5, 4, 3, 2 and 1 point.

The leader/winner of points classification shall be the rider with the highest sum of points.

Stage 1 / 23,2 Km, 122,6 Km

Stage 2 / 8,6 Km, 27,1 Km

Stage 3 / 46,1 Km, 61,8 Km, 124,8 Km

In the event of a tie in the general points classification, the following criteria shall be applied in order until the riders are separated:

- higher number of stage wins;
- number of wins in intermediate sprints counting for the general points classification;
- general individual classification on time.

The leader of points classification is required to wear green jersey following race-day.

9.3 Climber's classification

The classification is calculated as the sum of points obtained in mountain premiums. The leader/winner of climber's classification shall be the rider with the highest sum of points.

Stage 1 / 31,3 Km, 45,6 Km, 83,5 Km, 128,6 Km

Stage 2 / 35,9 Km, 47,2 Km, 66 Km

Stage 3 / 20,5 Km, 53,3 Km, 120,7 Km

Mountain premiums are awarded 5, 3, 2 and 1 point.

In the event of a tie in the general individual climber's classification, the following criteria shall be applied in order until the riders are separated:

- number of first places in mountain premiums;
- general individual classification on time.

The leader of climber's classification is required to wear polka dot jersey following race-day.

9.4 Best young rider classification

The leader/winner of this competition shall be the best U21 rider classified in the individual general classification on time. The leader of the best young rider classification is required to wear white jersey following race-day.

9.5 Best Czech rider classification

The leader/winner of this competition shall be the rider with Czech nationality (or citizenship) best classified in the individual general classification on time. The leader of best czech rider on time is required to wear light blue jersey following race-day.

9.6 Team classification

The team classification in stage shall be calculated on the basis of the sum of the three best individual times from each team.

In the event of a tie following criteria shall be applied:

- lower sum of the places acquired by their three best times on the stage;
- better placing of their best rider on the stage classification.

The team general classification shall be calculated on the basis of the sum of the three best individual times from each team in each stage ridden. In the event of a draw, the following criteria shall be applied:

- higher number of first places in the daily team classification;
- higher number of second places in the daily team classification;
- etc.

If there is still a draw, the teams will be separated by the placing of their best rider in the general individual classification on time.

Any team reduced to fewer than three riders will be eliminated from the general team classification.

9.7 The priority of the distinctive jerseys

1. Leader of the general classification on time YELLOW jersey
2. Leader of the points classification GREEN jersey
3. Leader of the climber's classification POLKA DOT jersey
4. Leader of the best young rider classification WHITE jersey
5. Leader of the best Czech rider classification LIGHT BLUE jersey
